

**Building
wealth**

How to start building wealth

The first step is to Budget and stay disciplined

- This part is very crucial because you want to minimize unnecessary purchases
- When budgeting you want to make sure that all your basic needs and living expenses are taken care of
- If you are smart with your money and budget for so long your savings should begin to pile up

Open a savings account

- After you create your budget you want to open a savings account
- Use bank account bonuses to jumpstart your savings
- You want to save as much as you can and save unexpected income
- Discipline yourself to stay on your budget
- Set a saving goal and keep saving even after you reach your saving goal

Have an emergency fund and pay off debt

- As you continue to budget and save more money and you can start paying off your debt little by little

What is an Emergency Fund

An emergency fund is a cash reserve that's specifically set aside for unplanned expenses or financial emergencies.

Some common examples include car repairs, home repairs, medical bills, or a loss of income.

Invest and grow your money

- If you have been following your budget and saving properly then you will be able to invest and grow your money even larger
- When investing you put your money into something and expecting it to grow larger over time to be able to profit from in the future

Things you could invest in

- Growth investments
- Shares
- Property
- Defensive investments
- Stocks
